General Report Comments: Upon my arrival I was met by Mr. Van Scalkwyk who is the owner of the property. I told Mr. Van Scalkwyk why I'm here and he took me to go see the sheep where they were grazing on a huge piece of land with a river flowing through the property. When the 4x sheep saw us approaching they ran off into the reeds. None of the sheep were limping and all of them is in acceptable conditions. Mr. Van Scalkwyk said that he will know when there is something wrong with his sheep. I did not see any welfare concerns. NFA until further notice.
