General Report Comments: The SPCA received a complaint about a dog called Blackjack that is being kept in the house the whole day. I went out to do an inspection. Upon my arrival I found the owner Ms. Kerry at home. The dog Blackjack a x breed male, unsterilized was roaming freely on the property. Ms. Kerry lives on a accommodation farm where their self contained cottages is not fenced off ,that's why she needs to keep Blackjack in her home when she goes out. Ms. Kerry denies the allegation that she keeps Blackjack inside her home for days on end,a neighbour Mandy confirmed that Blackjack is always outside and only inside the home when Kerry needs to go somewhere. Blackjack is in acceptable condition. Water,food and shelter is available. NFA until further notice.
