General Report Comments: On my arrival, I was welcomed by Mr Jamse Arends, and I introduced myself and explained my visit to his property, I the observed 3 dogs in the property all put in a separate spots on a static chains of +-5 meters long to the collars.
The 3 dogs I observed was (brown+white pitbul, and black+white pitbul cross, and terrier cross black+brown) all the dogs are males and +-2 years of age.
All the dogs appeared physically looking good in condition with no veterinary problems or health concerns. Shelter was available available for each dogs, water was available and living environment was cleaned. Food was available(dog pallets)
I educated the owner about sterilization and he was not interested.
The owner said there was a lady who came to feed his dogs with dog pallets of which he refused that lady to feed his dogs.
