General Report Comments: I was met by Mr. Barends who is the owner of the dogs father. I told Mr Barends why I'm here and he granted me access to the property. We went to the back where I met Cassie a large female Boerboel. The space at the back is big enough for Cassie to move and she is not confined in a small space. The kennel is not adequate. Water and food is available. I issued warning W6295 to provide Cassie with adequate shelter. Will follow up.
