General Report Comments: On my arrival, I was welcomed by Mrs Fry, I observed the dog named Sky and the cat named Italy. Both animals appeared physically looking good in condition with no veterinary problems or health concerns.
Water was available, living environment was cleaned.

The owner took the cat to the vet clinic and the cat was humanely euthanized because of old age according to the owner Mrs Fry, she also provided me with a vet report, see attached vet report. I educated the owner about sterilization.
