General Report Comments: I found a lady called Veronica at home, she told me that she is the owner of the dogs cousin. Veronica told me that the owner said that he wants to surrender the dog because he can't afford treatment for the skin problem. Veronica let me inside the yard, at the back of the property water and shelter is available. I gave Veronica my leash to put around the dog but when she approached the dog the dog ran and jumped over the wall into the street. Veronica and I tried to catch the dog but as soon as he sees the leash he takes off. Veronica said that they will try to confine the dog and then they will contact me. Will follow-up.
