General Report Comments: Mr. Jooste took the day off because he wanted to meet me . I asked Mr Jooste he has adhered to the warning and he said no because he went to the vet to ask what he can use for the skin problem his dogs has and they prescribed Bravecto which will cost him R1,200 for the 3x dogs,I asked him where the other puppy is and he told me the puppy got ran over by a car over the weekend and died instantly. He went to show me where they buried the puppy. Mr. Jooste said the best option will be to surrender the remaining dogs. The 2x adult female dogs and the one female puppy was surrendered. Refer to admissions E2023,E2024,E2025. No other animals on the property. NFA until further notice.
