General Report Comments: I observed this dog running in the street and he looked sick and scratching his body. One of the kids in the street showed me where the owner stays. Mr Jonas admitted that the dog is sick and he doesn't have the money for vet treatment. I advised him to surrender the dog as he can't suffer because of the owner's financial situation. He agreed to surrender the dog and I issued him with a warning. I observed water and shelter. The living environment is clean.
