General Report Comments: Ms Ecksteen's grandson stopped me and asked if I can treat his grandmother's cat which is sick. I approached Ms Ecksteen and she showed me the sick cat. She informed me that she doesn't have the money for vet treatment and I advised her to surrender the cat which she refused. I issued a 24hour warning advising her to take the cat to the vet and her neighbour advised her that she can be arrested for animal cruelty. She then decided to surrender the cat. There is no animals left on the property
