General Report Comments: On my arrival in Malmesbury DE-Hoop section doing animals welfare inspection door to door, I went to house no 12647 Korhaan street, there I met Mr Johannes, I introduced myself to him, he then said he has a dog that keeps on escaping and troubling people around because his property was not adequately fenced.
Shelter was available, water was available and living environment was cleaned.
Mr Johannes then requested if I (SPCA) can take the dog. I then collected the dog as a surrender and brought it to the spca Darling and was humanely euthanized, see admission no E3584.
