General Report Comments: On my arrival doing door to door animals welfare inspection in Malmesbury Wesbank , I went to house no 62 Valk street, there I was welcomed by Mrs Una Arendse and her daughter Mrs Viola Arendse, I introduced myself and explained my visit to their property.
I then observed a black+brown female dog adult Rottweiler cross named Tosca .
Tosca was on a static short chain on a tree to the collar , water was not available, shelter was available, and living environment was cleaned.
Tosca appeared physically looking good in condition with no veterinary problems or health concerns .
The property was not adequately fenced, and there was no enough space in the yard.
I then showed them in the property were they can place a running chain, and for that I did issued the owner with a notice to comply, see attached notice to comply no I5771.
