General Report Comments: I was granted access to the property by Mr. Jansen who is the owner of the dog Junior. Junior is on a short chain without a collar. The reason why Junior is on a chain is because the property does not have a gate and the one side is not enclosed and Mr. Jansen don't want Junior to roam in the streets. Water and shelter is available for Junior and his living area is also clean . Body condition is acceptable. I educated Mr. Jansen on how to chain a dog if needed to be chained and issued warning W6272 to put Junior on a runner and to also provide him with a collar so that the bare chain don't hurt his neck. Will follow up.
