General Report Comments: On my arrival to Kleigat Farm in Malmesbury, I did animals welfare inspection door to door within the farm Kleigat, I went to the house of Mrs Michelle Baroni, there I observed a brown male terrier cross that appeared physically looking old and sick. Shelter was available, water was available, and living environment was cleaned.
Mrs Michelle said does not want the dog anymore because it is old, I then collected the dog and brought it to the spca Darling and was humanely euthanized, see admission no E3588.
I then educated Mrs Michelle that in future should she come across the same or similar situation, she must contact the spca on 0224922781.
