General Report Comments: I went to do a recheck on the brindle terrier x female to see if the owner has adhered to the warning. I found the owner Mr. Julies at home where he was busy installing the runner. The female dog was loose on the property, Mr. Julies told me that he lets her off the chain when he is at home. I also saw that the owner has provided her with a proper collar. The dogs shelter has also been moved to where the runner is going to be installed, and her water bowl has also been cleaned. Will follow up.
