General Report Comments: The owner did not comply and the dog was not taken to a vet. Magdalene wanted me to give her more time but I advised her that the more time we take the dog is going to suffer . She then told me to take the dog but she refused to load the dog into the SPCA bakkie . I loaded the dog named Chlong and Magdalene didn't want to sign the admission form up until I advised her that I was going to have her arrested that is when she signed
