General Report Comments: On my arrival in Moorreesburg doing animals welfare inspection door to door, I went to house no 93 Palmboom street, there I was welcomed by Mr Willem Erasmus, I introduced myself and explained my visit to his property.
I then observed a male brown Africanis dog of 3 years named Carra.
Carra appeared physically not looking good in condition(underweight), and was aggressive.
Shelter was available, water was available and living environment was cleaned, and Carra was roaming freely inside the property though the property was not adequately fenced.
The owner Mr Willem said he can't afford to look after Carra and Carra is aggressive.
He then surrendered Carra and I brought Carra to the spca Darling and was humanely euthanized, see admission no E3590. NFA.
