General Report Comments: On my arrival in Moorreesburg doing animals welfare inspection door to door, I went to house no 83 Palmboom street, I was welcomed by Mrs Catrina Williams, I introduced myself and explained my visit to her property.
I then observed a brown Africanis dog of 4 years aged named Storm.
Storm appeared physically looking good in body condition, and his eyes looked physically blind as the owner also mentioned that Storm was blind.
The owner said want to surrender Storm because he is suffering.
Shelter was available, water was available and living environment was cleaned.
I then collected Storm as a surrender and brought it to the spca Darling and was humanely euthanized, see admission no E3591.
