General Report Comments: I saw this black and brown mix breed male dog standing on the sidewalk and I stopped. The dog has severe mange, as I got out of my vehicle a lady came from inside the house and introduced herself as Mrs. Peters the owner of the dog. I asked Mrs. Peters why the dog is in such condition and she told me that her husband has tried everything and that the dog dog called Private does not want to stay inside the property and keeps on jumping over the wall. I asked her if they can afford a vet and she said no I should rather take the dog Private. Private was surrendered to the SPCA. Refer to admission E2034. No other animals on the property. NFA until further notice.
