General Report Comments: I saw 1x brown and white terrier x female inside the property. I stopped to have a closer look at the dog,a lady came from inside the house and introduced herself as Mrs. Bester the owner of the female dog. I asked Mrs Bester if she'd noticed that the dog called Fiela is starting with a skin problem and she said yes,her husband said that they are going to put car oil on the dog,I told Mrs. Bester that car oil is not safe to use on dogs and that it is not acceptable. I asked her if they can afford to get Fiela adequate treatment for the skin problem and she said no,I asked Mrs. Bester to surrender Fiela as they are unable to care for her. Fiela doesn't have a shelter. Fiela was surrendered,refer to admission E2033. No other animals on the property. NFA until further notice.
