General Report Comments: On arrival I met Mr Shaun Cedras and he informed me that the puppies belongs to his 17year old son who was not at home at the time that I conducted this welfare inspection. Both puppies were inactive and just lying. I advised Mr Cedras that the puppies needs vet treatment as soon as possible or else he must surrender both pippies. He didn't want to do so in the first place but he later agreed to sign over the puppies. There is no animals left on the property. I issued a warning advising Mr Cedras to seek vet treatment for any sick or injured animal in his possession in future.
