General Report Comments: On my arrival in Abbotsdale, I went to house no 48 Skool street, there I was welcomed by Mr Reece Esan, I then introduced myself and explained my visit to his property, he allowed me a entry to his property.
I then observed a black+white pitbull male dog of 7 years old named Killer, and Brown+tan Cross breed male dog of 7 months old named Tiger. Both dogs was not sterilize, and they appeared physically looking good in condition with no veterinary problems or health concerns, living environment was cleaned, shelter was available, and water was available.
The dogs was roaming freely inside the property.
I educated the owner about sterilization and he said will think about it of which will not be anytime soon. NFA.
