General Report Comments: I saw 1x brown and white Jack Russel x female inside the property,there was a lady sitting on the porch and I asked who the owner of the dog is and she said that she is the owner. She introduced herself as Mrs. April. The female Jack Russel x has severe mange. I asked Mrs. April if she can afford veterinary treatment for the dog because this is unacceptable for any dog to look like this . Mrs. April said no she can't afford a vet and we can take the dog called Elsa. There is no other animals on the property. Refer to admission E2050. NFA until further notice.
