General Report Comments: I saw 1x black and brown terrier x female on +-2meter long rope with a collar. The rope is tied to a washing line pole. The owner came out and introduced himself as Mr. Arendse the owner of the dog called Kayla. I asked Mr. Arendse why Kayla is tied and he told me because their property is not fully enclosed and that he does not want her to roam in the streets. I asked about Kayla's shelter and Mr. Arendse told me that Kayla sleeps inside at night,I told Mr. Arendse that is all well but Kayla needs to have shelter for when she is outside during the day. I issued warning W6293. Will follow up.
