General Report Comments: The dog named Roxy is tied with a short rope that is about 2m long with a collar around her neck. Mr Joseph informed me that he tied the dog because if she is loose she jumps out of the property and brings puppies. Roxy's body condition is fair and acceptable. I observed fresh drinking water, a collar and shelter. The living environment is clean. I issued a warning advising Mr Joseph to set up a running chain then the SPCA can help sterilize the dog
