Comments:	The owner of this dog is a colored lady who is a drug addict. She was not at home and the owner of the(Mr Lucas Ketye)property where she lives helped me and Maggie to locate her. She just left when she saw us and Mr Ketye signed over the dog in the presence of Maggie,and a white female lady who advised me not to euthanize the dog while crying. The dog named Bino's body condition is fair but you can see that he is not being properly well looked after. Bino is sterilized. The admission number is E2493
