General Report Comments: I went to do a follow-up inspection to see how the Collie x is doing with the skin condition. The dogs hair has not grown back fully but I could see that the bare patches are getting darker with the hair grow. The door to the house was open but nobody came outside while I was there. Water and shelter is available. Both dogs body conditions is acceptable. I will do one more recheck to see if there's more improvement. Will follow up.
