General Report Comments: There are two dogs and seventeen pigeons on this property. Both dogs are running freely inside the property. There is seventeen racing pigeons. The housing in which the pigeons are is kept open for the birds to fly in and out. The two dogs body condition is fair and acceptable. I observed water, food and shelter. The living environment is clean. Mr Cloete informed me that his neighbor Mr Jacob Ceazer shot his pigeons in April. I did ask him where the dead birds were but he informed me that he only heard the sound of the pallet gun. I advised him to take the dead bird to the vet in future to determine the cause of the bird's death. I went to property number 6 Antonio Sieni street and I met Mr Jacob Ceazer and his wife. He informed me that he didn't shoot the birds but he only scared them off his roof. These two families were in court last week as they are fighting. This seems like a neighbourly dispute more than an animal cruelty case. There was no APA contravention observed.
