General Report Comments: On my arrival to the farm, I introduced myself and explained my visit to the farmers, it then did animals welfare inspection to the farmers who had the animals:
-Mr Dinner Vanville,
-Mrs Monica Dedricks,
-Mrs Lorain Vonwiellies,
-Mr Liano Africa
I then observed 27 dogs in total including puppies in the property, all animals appeared physically looking good in condition with no veterinary problems or health concerns, water was available for all the animals and shelters was available, and living environment was cleaned.
The farmers were concerned about the female dogs in the farm of which they constantly give birth, of which 3 adult female dogs that give birth always regularly was surrendered and with 2 puppies, And one adult female brown+white dog named Elif of I brought it to the spca Darling to e taken to the vet for sterilization admission no E1936.
