General Report Comments: There was no people at this property and I spoke with Mrs Maritha Wagenham who is a neighbour and she informed me that these cats on come in the morning before Camalita goes to work and in the afternoon whe she comes home from work. I observed one tabby cat that looked healthy from where I was standing. I observed water and shelter. I explained to the complainant that when it comes to the amount of animals per property it's the Municipal Law Enforcement who can enforce the Bye-Laws. I didn't observe any walfare concerns.
