General Report Comments: I went to do a follow-up inspection to see if I can see the dog that is allegedly being kept in the garage. Upon my arrival I was met by Mr. Mpafi who is the owner of the dog. I told Mr. Mpafi why I'm here and he took me to the back where the Pitbull male called Zaza are being kept. Water and shelter is available. Mr. Mpafi denies that the dog is being kept in the garage. While we were talking the dog got out and we had to go look for him. We found the dog in the next street. I educated Mr. Mpafi on sterilization and he agreed for the dog to be sterilized. There is no indication that the dog is being kept in the garage. Will follow-up.
