General Report Comments: On my arrival, I was welcomed by Mrs Marylene Pretorius, I introduced myself and explained my visit to her property,
I then observed the same 2 boerbol dogs, and 1 calf of +-3 weeks.
All the animals appeared physically looking good in condition with no veterinary problems or health concerns.
The owner did comply by putting the brindle boerbol on adequate running chain of 11 meters long wire to 7 meters long light chain to the collar.
Water was available, shelter was available and food was available, and living environment was cleaned.
The owner did bought a 5L calf milk powder with a suckling bottle.
I did tried to contact the complainant but he did not answer his phone.
