General Report Comments: The dog named Maze is on a long leasch of around 5m long with a collar around her neck. I observed fresh drinking water,shelter and food. The body condition of all three dogs is fair and acceptable. Tony informed me that she did deworm all three dogs the yesterday . The puppy in question is not fat but she is not thin. I adviced Tony to buy puppy food for the puppy not adult dog food. I will do a follow up just to check if Tony did provide the right food for the puppy
