General Report Comments: On my arrival, u did tried to hoot and shouted, buti did not get any response, I looked like there was no one available at home.
I then observed over the fence, i saw a black+brown male Rottweiler breed dog, the dog appeared physically looking good in condition with no veterinary problems or health concerns. Water was available in a black plastic bowl, shelter was available (dog wooden kennel), and living environment was cleaned.
The dog was not kept in 3x3 cage, but it was kept in a camp of 10mx4m.
The property was fenced with precast fence type of 6-7 meters high, with a gate of about 5 meters high steel palisade covered with a netting.
The camp was covered with adequate shade netting.
I then contacted the complainant and notified him that with dogs making noise it's law enforcement bylaws matter therefore he must contacted the bylaw law enforcement municipality.
