General Report Comments: The SPCA has received a complaint about a dog that has been hit by a car and that the owner has not taken the dog to the vet. I immediately went out and found Sarah Adonis who works for CARE St. Helena bay at the property. Sarah saw the dog a few days ago in the street and could only locate the address of the dog on Friday. The owner of the dog was not at home and her son Giovan granted me access to the property. According to Giovan the dog was hit by a car a day ago,I asked Giovan to see the dog. The dog called Bobby was lying in his kennel. Giovan called his mother to speak to me as she is the owner of the dog. I told Mrs. Van Boven that they need to surrender the dog if they can't afford a vet.Mrs. Van Boven agreed and Bobby was surrendered. Refer to admission E2089. I also issued warning W6504. No other animals on the property. NFA until further notice.
