General Report Comments: I went to do a cruelty complaint at 20 Erica street, Laingville about a underweight dog on a short chain. Upon my arrival I was met by Jerome Papier who told me that he is the owner of the dog in question. I asked Mr. Papier to see the dog, we went to the back of the property where I observed 1x brown Pitbull male on a short chain with a collar. Water and shelter is available. The dog is underweight and he has open wounds on his legs. I asked the owner if he can afford a vet because the dog needs to see a vet and the owner said no, I asked the owner to surrender the dog called Hull because the condition the dog is in is unacceptable. Owner agreed to surrender the dog. Refer to admission E2100. No other animals on the property.
