General Report Comments: On my arrival in Moorreesburg doing animals door to door welfare inspection, I went to house no 16 Renonkel street Moorreesburg, There I was welcomed by Mrs Muller, I introduced myself and explained my visit to her property, I then observed a male black+white Africanis dog adult, the dog appeared physically not looking good in condition (possibly mange). Shelter was available, water was available and living environment was cleaned, the property was not adequately fenced. The owner immediately said she doesn't want the dog anymore, I then took the dog as a surrender and brought it to the spca Darling and was humanely euthanized, see admission no E1941.
