General Report Comments: I observed this dog on a very static short chain. The moment I moved close to the wall the dog went inside the kennel and only the head was now sticking out. I couldn't observe whether the dog is a male or a female. I issued a warning which I put on the door advising the owner to contact me within 48hours do that we can discuss the walfare of the dog. If the owner contact me, I will recheck in 7days but if he doesn't then I will go back in 48hours.
