| CONFINEMENT OF ANIMALS          | On running chain | The dog jumps out of the property whenever she is untied |

General Report Comments: Mr Readewhaan was at home when I arrived. He did comply to my warning and the dog is now on a long running chain with swivels on both ends of the chain and a collar around her neck. I observed fresh drinking water, food and shelter. The living environment is clean. The dog named Lola is sterilized and her body condition is fair and acceptable. I didn't observe any APA contravention.
