General Report Comments: I went to do a recheck in Waboom street to see if the owner has adhered to the warning that I have issued. Upon my arrival there was again no people at home. The one side of the make-shift kennel has been fixed that was broken. The dogs chain has been extended. The dog did not have any water because his water bowl was tipped over. Inside the kennel there are some objects that needs to be removed so that the dog can have more space inside his kennel. I issued warning W6306. Will follow-up.
