General Report Comments: I saw this brown terrier x male on the sidewalk, upon closer inspection I saw that the dog had a injury to his face, open wound. The dog got up and ran into the yard, I got out of my vehicle and called out. While calling out a man came from inside the house and introduced himself as Mr. Faro the owner of the dog. I asked Mr. Faro what happened to the dog's face and he told me that he is not sure if the dog got into a fight with another dog. I asked Mr. Faro if he is treating the wound and he said yes that he washed it with salt water, I told Mr. Faro that it is unacceptable and if he can't afford to provide adequate veterinary treatment for the dog that he should rather surrender the dog called Cassie. Mr. Faro agreed and surrendered Cassie. Refer to admission E2056. No other animals on the property. NFA until further notice.
