CONFINEMENT OF ANIMALS	Tethered ***	Tethered with ropes because the property is not fully enclosed.

General Report Comments: While doing door to door I came across 2x Pitbull x dogs that is tethered with short ropes. The dogs can hardly move. I stopped and a man came from inside the house and introduced himself as Mr. Marshall the owner of the 2x dogs. I asked Mr. If can come inside and he said yes. Both dogs are underweight and I asked Mr. Marshall if he has food for the dogs and he said no,the dogs water bowls was also empty. I asked Mr. Marshall if he don't want to surrender the dogs because I could clearly see that he is unable to care for them. Mr. Marshall agreed and said that it is better because he lost his job. The 2x Pitbull x males,Junior and Sniper was surrendered to the SPCA. Refer to admissions E2054,E2055. No other animals on the property. NFA until further notice.
