General Report Comments: On my arrival in Moorreesburg doing animals welfare inspection door to door, I went to house no 6 spreu street, I was welcomed by Mrs Chinle, I introduced myself and explained my visit to her property, I then observed a male young ginger cat, the owner said she can't manage to feed the cat anymore therefore she wants to surrender the cat, I then collected the cat and brought it to the spca Darling and was humanely because it looked underweight. See admission no E1946.
