General Report Comments: On my arrival in Moorreesburg doing animals welfare inspection door to door, I went to the house no 14 Palmboom street, I was welcomed by Mrs Lea Barnies, I then introduced myself and explained my visit to her property, I then observed an adult female dog of 2years old named Layla and with its black male puppy of 2 months old. Both dogs appeared physically looking not looking good in condition (possibly mange). Shelter was available, water was available and living environment was cleaned.
The owner said she wants to surrender the dogs because they arenot looking good, I then took the dogs as surrenders and brought them to spca Darling and was humanely euthanized, see admission no E1448 and E1449.
