General Report Comments: On my arrival in Moorreesburg doing animals welfare inspection door to door, I went to house no 11 Palmboom street, there I was welcomed by Mr David of which I introduced myself and explained my visit to his property, I then observed a white female adult pitbull roaming outside the property on the street close to the property of Mr David.
According Mr David, the dog belongs to him, the dog appeared physically not looking good in condition(possibly mange), Mr David immediately wanted to surrender the dog as he can't afford veterinary treatment and the society on his street are complaining. I then took the dog as a surrender and brought it to the spca Darling and was humanely euthanized, see admission no E1452. I then educated Mr David that in future he must contact the spca should he come across not being able to look after the animal/s not to prolong its suffering to the animals.
