General Report Comments: On my arrival in Malmesbury doing animals welfare door to door in new houses in De hoop, I went the house in Masikhuthule street, the house numbers was not displayed on the houses, Therefore I observed a male white pitbul in a short static inadequate chain with no shelter. Water was available, and living environment was cleaned. The dog appeared physically looking good in condition with no veterinary problems or health concerns. The neighbor Mrs Clamence Hati came to me, and I did asked her if she knows the owners in the property the dog lives, and she said yes but the owner went to work she usually comes back home around from 17H00. I then asked if she knows her house no as I wanted to track the houses sequence numbers but unfortunately she said they just moved in and they are also not aware of their number.

The property was not fenced at all.
I then issued a notice to comply of which Mrs Clamence Hati accepted and signed the notice to hand it over to the owners of the dog. See notice no I5899.
