General Report Comments: On my arrival in Darling new Asla doing animals welfare door to door inspection , I went to house no 41 Goesbloom street, there I was welcomed by Mrs Jack Pumeza the owner. I then introduced myself and explained my visit to her property, Of which I observed a black female pitbull cross breed dog of +-5 years old named Layla. Layla appeared physically not looking good in body skin condition (possibly mange). Shelter was available, living environment was cleaned, and water was available. Layla was able to in and out of the property as the property did not have a gate.

I then issued a notice to comply to the owner to:  
1) provide the sick or injured animal/s with adequate veterinary treatment within 4 days.....

Mrs Jack Pumeza accepted and signed the notice to comply, see attached notice no I5917.
