General Report Comments: Upon my arrival in Malmesbury Wesbank doing animals welfare door to door inspection , I went to house no 8704 Alfa street, there I was welcomed by Mr Daniel Peter.

I then observed a brown female adult boerbol breed of 2 years old.

The owner immediately said t me that the dog has a vaginal injury or sort of and he doesn't want the dog anymore because of financial difficulties , closer I get to the dog, the dog appeared looking sick possibly vaginal prolapse.

Shelter was available, living environment was cleaned and water was available.

I then took the dog as a surrender and brought it to the spca Darling and was humanely, see admission no E1484.

I then educated to contact the spca on 0224922781 in future should he have any problem related to the animals.
