Comments: I contacted the complainant immediately upon getting onto the N7 to confirm the exact location where the injured bird was spotted. I drove past the Chatsworth bridge towards Atlantis and stopped at the Atlantis board, and called the complainant to inform her of my location. She then advised that I should drive a further 10 minutes towards Atlantis.

I kindly informed her that the area between Chatsworth and Atlantis falls outside our jurisdiction and is covered by the Cape of Good Hope SPCA. I also contacted Loraine, our receptionist at Darling SPCA, to please escalate the matter to the Cape of Good Hope SPCA.
