Comments:	Mr Vos contacted the after hours advising that he picked two stray dogs and he was standing in front of the SPCA gate. I advised him that I was on my way to Vredenburg to attend to a sick dog. On my way back I met with Mr Vos at the kennels and he dropped off the two dogs. The body condition of both dogs is fair except for the female dog which has what looks like a burn wound on the hip. The admission numbers are E1392 & E1393
