Comments:	Monday morning I received a call from Claire to tell me that they were in the area to pick up dogs for sterilization and went to the house to 1408 Spoor str, Riebeeck West to see how the 2x dogs are doing. Upon their arrival there was no people at home, the Wendy house was open and there were no sign of the 2x dogs. Claire told me that she will ask around to see if somebody has seen the dogs and will also be on the lookout for the dogs and that she will let me know once she has seen the dogs. Will follow-up.
